CONTEST FOR THE SELECTION OF YOUNG WRITERS FOR THE VALORISATION OF KUKËS TERRITORY THROUGH SHORT STORIES

Announcement date: 30.08.2023

Deadline: 10.09.2023

Green Art Center Prishtina is pleased to announce the "Discover Rahovec" contest for young writers, launched as part of the ECOROUTES project. The contest aims to encourage and inspire young writers to explore the beauty of Rahovec and share their unique perspectives with the world. Whether you are passionate about history, culture, traditions, or landmarks this contest is an opportunity to showcase your writing skills and celebrate the diversity of Rahovec.

The contest invites young writers between the ages of 18 and 33, that have a strong connection with Rahovec, to participate in creating short stories that highlight local features such as territory, cultural heritage, and traditions. The best stories will be included in a unique book that will contain 20 short stories, written by young writers from Albania and Kosovo. The book will be published and distributed all across the Programme area.

The "Discover Rahovec" contest will run until 10.09.2023, and offers a chance for young writers to perfect their skills by participating in a creative project.

"ECOROUTES - Ecotourism routes in the Cross-Border area for the promotion of alternative tourism" is being implemented by the Kukës Municipality and Urban Research Institute in Albania, and by the Rahovec Municipality and Green Art Center-Prishtina in Kosovo.

The project is co-financed by the European Union and the National Funds of the participating countries, within the third Call for Project Proposals for the IPA Cross Border Cooperation Programme Albania – Kosovo 2026-2020.
